IN THE COUNTRY
OF
Joker

CIRCUS AND LIAR'S GAME

ILLUSTRATION: QuinRose
AND Mamenosuke Fujimaru

**"MY HEART SAYS EVERYTHING
IS RIGHT...BUT MY MIND SAYS
EVERYTHING IS WRONG."**

In Wonderland's April Season, Alice can enjoy some seasonal treats for a change—like a summer festival and even Halloween! But every time she travels between domains, she must first beat the Joker at a hand of cards. What seems like a simple routine turns extremely dark, as Alice faces the Joker's true nature—a mirror version of himself that's obsessed with buried truths. Can Blood and Peter save Alice from a two-faced game of love?

Character

Alice Linde

An average teenage girl... with a happy complexion. After being dragged to Wonderland by the White Rabbit, she's transported to a not-so-pretty land where she'll have to learn some things.

The dangerous, shrewish leader of the White Family. Lately, he's been acting a little more like a normal rabbit, but he's still a "misleading" leader who likes to make people do things he wants them to.

The big 2 of the White Family and the White Knight. They're a team, but they're not always on the same page. The White Knight is a bit of a misfit, but he's still a "misleading" leader who likes to make people do things he wants them to.

Charlie is a small, white rabbit. He's a bit of a misfit, but he's still a "misleading" leader who likes to make people do things he wants them to.

READING DIRECTIONS

This book reads from right to left, Japanese style. If this is your first time reading manga, you start reading from the top right panel in each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!
